

# ADVERTISING

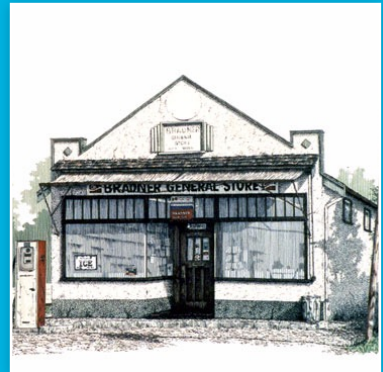

The Bradner Barker has been publishing since 1994 as a local source for community news and information.

In February 2015, the publication changed management and a life long central Bradner resident, Heather Lemieux, technical writer, launched the publication online. **Since February 2015 The Bradner Barker has received over 10k views!**

Online, the Bradner Barker offers news at the tips of your fingers with any computer, smart phone or tablet. Providing information on current local news, weather, people, issues, events, clubs, sports teams and programs.

If you want to build your image and brand in Bradner, or get an important message across, become a Bradner Barker advertiser today. *Advertising is only offered at the community level - Serving businesses and groups within Bradner, Aldergrove and Abbotsford only.*

*Support your community news source and grow your business with The Bradner Barker*

Heather Lemieux, Editor
